

## Forever Meals Endowment Fund

**Purpose:** To commemorate a special person, occasion or milestone by giving a gift that provides income to purchase food on a perpetual basis.

**Donation Amount:** \$16,000

**TASK Match Amount:** \$16,000

### How it Works:

Forever Meals gifts are matched by TASK and deposited in a restricted endowment fund. The fund is invested so that only the interest earned on the \$32,000 will ensure that your gift will honor your designated person in perpetuity.

You choose the loved one, special person, occasion or milestone you want to be acknowledged annually and provide TASK the date you want our meal served in honor of the person or event. In any given year if the day falls on a weekend, TASK will then honor the individual/group on the previous Friday or following Monday.

You may want to use a birthdate, a wedding date, a holiday (other than Thanksgiving or Christmas) or whatever date is of significance to you. Many of our donors to this program use a deceased loved one's birthday, others have contributed in honor of a significant wedding anniversary.

TASK will create a banner to be hung in the dining room. You can choose the color, wording, and any picture you would like on the banner. We would make an announcement prior to each meal service. For example: "Today's meals are being served thanks to and in honor of Joe Jones who volunteered at TASK for thousands of hours." We would add a brief commentary on the person or event if you would like.

In addition, we offer you the opportunity to volunteer at one or both of our meal services that day, and you are welcome to make the above announcement if you like.

The date and name of the person or event will also be displayed on a specially designed display which will include others who have generously contributed.
